

## Fingerspelling, Part 4

In each segment you will see three fingerspelled words. All three words have a common two- or three-letter combination. Write down the common letter combination from the list below. The activity begins with an example.

OY	PH	CH	GL	WI	NN
BR	NT	TT	GHT	ING	EE

Example CH

- |          |          |
|----------|----------|
| 1. _____ | 5. _____ |
| 2. _____ | 6. _____ |
| 3. _____ | 7. _____ |
| 4. _____ | 8. _____ |

Answer on page 182.
