

Watch the conversation again, focusing on the descriptions Pat gives to compare the two models. Then draw the two clocks based on her descriptions, and write in the prices and other features of each model below.

first model

second model

Answers on p. 144.

Getting attention. Watch the conversation once more and observe how Ethan tries to get Pat's attention. When at first Pat doesn't see Ethan's wave, the man sitting next to Ethan taps the boy sitting near Pat, then Ethan asks the boy to get her attention for him. Once Pat turns to look at Ethan, notice how the boy checks to make sure they have a clear sightline.

Resuming the conversation. Notice how Ethan asks Pat to repeat what she said after being interrupted by someone climbing up the bleachers. Observe how Pat resumes the conversation.
