### In the Land of the Deaf

This film is a documentary about Deaf people in France. Although they are signing in FSL, there are English subtitles for your understanding. Please answer the following questions and enjoy!

1. Please list five or more signs that you recognized as similar to ASL
2. Please tell me how you felt about the Deaf students in the elementary school. You can tell me a general impression or tell me about a specific example.
3. Do you think Deaf people in America have had similar experiences in their lives as these Deaf French people? How so?
4. What is your impression of how Deaf people are treated? Here or in France?
5. What did you think about the kid saying she never met a Deaf adult before, and then when she did, how she felt?
6. Tell me two things you liked about the film?
7. Tell me two things you didn't like?
8. How did the sound in the film, or lack there of, make you feel?
