

UNIT 8

**PAIR PRACTICE**

Give additional information to your partner about each person pictured above. First identify the person, then wait until your partner acknowledges the right person before you give the information. Each of you should write down the information given.

**Missing Number**

Different signers will give you sequences of numbers (multiples of 5, 10 and 11). Figure out the number missing from each sequence. Write down only the number that's missing.
