

Rearrangements and Renovations

On videotape, you will see four dialogues in which people discuss how certain rooms were rearranged or renovated, and plans for redesigning a backyard. The following are "Before" and "After" floor plans for the area discussed in each dialogue. After watching each one, fill in the "After" floor plan with the rearranged furniture or added features discussed on the videotape. See following:

Dialogue 1: Putting a grand piano in the living room.

Before

After

UNIT 13

Dialogue 2: Redesigning the backyard.

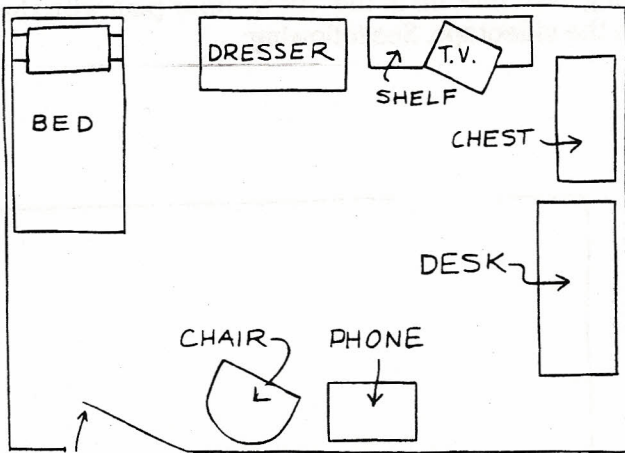

Before

After

Dialogue 3: Fitting a new roommate's things into the bedroom.

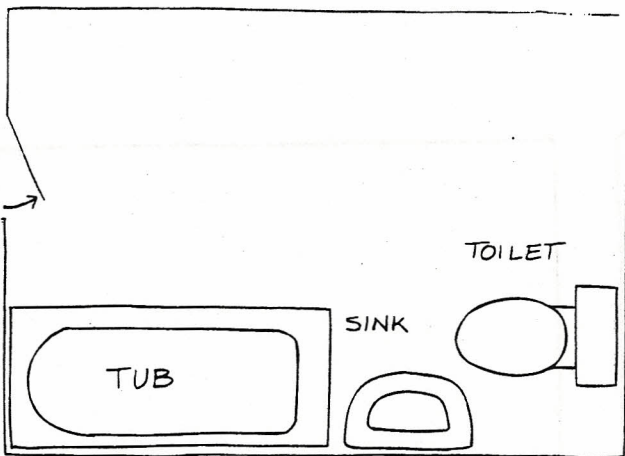

Before

After

Dialogue 4: Remodeling the bathroom.
