

Three-Digit Numbers

Tina Jo, Malcolm and Ivanetta will model three-digit numbers. In the first set, Tina Jo models these numbers:

160 270 310 490 540 680 730 820 950

In the second set, Malcolm models these numbers:

111 222 333 444 555 666 777 888 999

In the third set, Ivanetta models these numbers in which the final two digits are the rocking number forms:

467 868 269 178 379 689 598 797 198 387 986 276

Watch the demonstrations, then practice these number signs.

Number Practice

On screen, several people will sign sentences incorporating one or two number signs. After watching each sentence, write down the number (or numbers) and the topic to which the number(s) refer.

	number(s)	topic
1.	_____	_____
2.	_____	_____
3.	_____	_____
4.	_____	_____
5.	_____	_____
6.	_____	_____
7.	_____	_____
8.	_____	_____
